3. The plan of the Married Research Scholars Building was presented and the Committee members were impressed with the plan consisting of 50 rooms of 75 sq. mt. each and the same was unanimously approved by the Committee.
4. The plan of the Inter Disciplinary Centre was presented. The Committee was satisfied with the overall structure of the Building. However, some minor inputs were given to be included in the final design.
5. The Committee suggested to have a common signature for all the structural buildings which would add to the aesthetic value of the University.
6. The Committee suggested that all the buildings should have ease of access for differently-abled persons.
7. The Chairperson suggested that the design of Married Research Scholar building should be used for the Guest House Building, including the Dinning space in the Middle of building.
8. The Committee agreed to initiate the process of equipment procurement by floating tenders so that the core building construction would be completed latest by February, 2023.
9. The Committee decided that the University should request the Ministry of Higher Education to use the amount sanctioned for Student Amenities Centre for Golden Threshold restoration/renovation.
