**Minutes of Meeting of Sub-Committee of IoE Infrastructure Committee
held on 25.10.2021 in the Office of the Dean, School of Life Sciences**

The Building Plans have been examined and the following points have been resolved for incorporation in the final plan:

1. **Interdisciplinary Research Cluster Building**: The distance between the inner circle and the Central Instrumentation Room should be 7.5 meters instead of 5.4 meters.
2. **HRDC Building**:
 - a. Instead of 12 faculty rooms, only 6 faculty rooms may be provided – two on each floor and the other six faculty rooms may be made as three committee rooms.
 - b. Lecture Halls shown on the Ground Floor plan should be shifted to First Floor and the Seminar Hall – which is shown on the First Floor – should be shifted to Ground Floor.
 - c. Ground Floor Lecture Hall may be converted to Cafeteria and the terrace on the top floor may be converted into Lecture Hall.
 - d. Adjacent to Wash Rooms (rear-side of the building), electrical room may be provided
3. **Married Research Scholars' Building**: Second alternative Plan submitted is approved as it is.
4. **Guest House Building**: Second alternative plan of Married Research Scholars' Building should be adopted for Guest House also, with the dimensions of the rooms with 1:1.25. The Central Portion of the building may be accommodated (a) as Dining Hall at Ground Floor, (b) Conference Hall on First Floor, and (c) Fitness Centre (half-portion) on Top Floor.

Professor S. Dayananda
Chairman
IoE Infrastructure Committee
