1. The Chairperson distributed copies of the Minutes of the last meeting held by the IoE Infrastructure Sub-Committee on 25.10.2021 and discussed the major points reviewed in the 5th meeting regarding the construction of the 4 buildings (Interdisciplinary Research Cluster Building, HRDC, Married Research Scholars Building & Guest House).
2. The Chairperson proceeded to present updated plans of these 4 buildings as per the inputs suggested by the Sub-Committee. When the layout of the Married Research Scholars' Accommodation building was being reviewed, the following suggestions were made by the Members and it was decided that these facilities should be incorporated in all the 4 buildings:
 - (a) An emergency fire exit should be available, and
 - (b) Provision should be made for a sewage treatment plant as well as water harvesting plant.
